End-of-Sale Date (LTB)	June 30 th , 2024
End-of-Life/End-of-Support	December 31 st , 2026

CN Series part numbers affected

This table shows Senetas CN6100 part numbers affected by this notice:

Part Numbers	Description
CN6100-ETH-XXX	CN6100 ETHERNET (XFP) AC UNIT
CN6100-ETH-XXX-DC	CN6100 ETHERNET (XFP) DC UNIT
CN6100-ETH-XXX-ACDC	CN6100 ETHERNET (XFP) AC/DC UNIT

Alternative CN Series encryptors

The CN6140 Ethernet Encryptor is a direct functional replacement for the CN6100-ETH-XXX model and is available with the same power options. It should be noted, the CN6140 supports SFP+ optical transceivers in place of the XFP.

Customer and partners requiring more detailed update and upgrade information for the CN6100 HSE are welcome to contact Senetas directly at: support@senetas.com
